

Tessere per giocare al gioco dell'oca oppure per domanda e risposta a punti

Ci sono:

Domande in inglese e relativa risposta

Istruzioni

Prima di tirare il dado è necessario pescare una di queste tessere e dare la risposta giusta.

Le tessere si tengono sul tavolo girate dalla parte delle domande (perché dietro ci sono i risultati).

Il bambino che prende la tessera la guarda, poi risponde e gli altri verificano, guardando sul retro, se ha detto bene.

Se il bambino ha detto bene tira il dado e gioca, altrimenti sta fermo un giro.

La stampa va fatta in fronte retro, così che dietro ogni tessera vada il risultato esatto.

Se si predispongono ulteriori tessere nuove ricordarsi di mettere i risultati delle tabelle di destra nella colonna di sinistra e viceversa, in modo che con la stampa fronte retro poi torni tutto quanto.

Una volta preparate le risposte, meglio togliere i bordi alla tabella perché nel fronte retro non coincidono perfettamente i bordi della pagina delle domande con quelli delle risposte (si taglierà quindi lungo il bordo della tabella delle domande).
